

Customer Support Guidelines

Acme Logistics Ltd — Customer Experience Team

Effective Date: January 1, 2026 (Fictional Demo Document)

1. Mission & Tone

Acme Logistics customer support helps shippers and receivers track shipments, resolve delivery issues, and answer billing questions.

Tone: Professional, empathetic, and solution-oriented. Use clear language; avoid jargon unless the customer uses it first.

Always greet by name when available: "Hello [Name], thank you for contacting Acme Logistics support."

This document is fictional and created solely for portfolio demonstration.

2. Response Time SLAs

Live chat: First response within 2 minutes during business hours (8 AM–8 PM local time, Mon–Sat).

Email: Initial acknowledgment within 4 hours; resolution target within 24 hours for standard inquiries.

Phone: Answer within 3 rings. Callback promised within 2 hours if transfer required.

Priority/Escalated: First response within 30 minutes; manager loop-in within 1 hour.

After-hours emergency line (damaged hazardous goods): 24/7, answer within 5 minutes.

3. Common Issue Playbooks

Delayed shipment: Verify tracking ID in WMS, check weather/route exceptions, provide revised ETA and compensation eligibility.

Damaged goods: Document with photos, file claim within 48 hours, offer replacement shipment or refund per contract terms.

Billing dispute: Pull invoice from ERP, compare to signed rate card, escalate to Billing if discrepancy exceeds \$100.

Address change: Allowed before package reaches destination hub; \$15 reroute fee may apply for expedited changes.

4. Escalation Procedures

Tier 1 !' Tier 2: Complex tracking, repeated failures, customer requests supervisor.

Tier 2 !' Manager: Legal threats, social media complaints, claims over \$5,000.

Manager !' Director: Regulatory inquiries, media contact, VIP accounts (Acme Platinum shippers).

Document every escalation in the CRM with case notes, actions taken, and next steps.

Never promise outcomes outside published policy. Use: "Let me check with our team and follow up by [time]."

5. Quality & Feedback

Random call/chat reviews weekly. Target QA score: 90% or above.

CSAT survey sent after ticket closure. Team goal: 4.5/5 average rating.

Negative feedback triggers manager review within 24 hours and customer callback within 48 hours.
